The Honorable Rose DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Barrio Duey (Duey Ward) Water Pumping Station Construction Project in Fiscal Year 2024. The entity to receive funding for this project is the Municipality of Yauco, located at P.O. Box 1, Yauco, Puerto Rico 00698.

The funding would be used for construction of a water pumping station to serve rural communities in Yauco. The new pumping station would connect a well to an existing potable water distribution site, impacting 8 sectors within the municipality and relieving capacity issues in current water systems.

The project has a Federal nexus because the funding provided is for purposes authorized by: 42 U.S.C. 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jenniffer González-Colón  
Member of Congress
