The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for infrastructure improvements and a mitigation project at Quebrada de Monte Claro Creek in Bayamón, Puerto Rico in Fiscal Year 2023.

The entity to receive funding for this project is the Municipality of Bayamón, located at P.O. Box 1588, Bayamón, Puerto Rico 00960-1588.

The purpose of this project is to fund the necessary infrastructure improvements and mitigation work to avoid landslides along the Quebrada de Monte Claro creek’s streambank, particularly in the aftermath of rainfall events or natural disasters. These landslides create safety hazards that can lead to accidents, damage property, and put the lives of the area’s residents at risk.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
