The Honorable Kay Granger  
Ranking Member

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the completion of the reconstruction of highway PR-181, from Km 38.6 to Km 55.0, in Gurabo, Puerto Rico in Fiscal Year 2023.

The entity to receive funding for this project is the Puerto Rico Highways and Transportation Authority, located at P.O. Box 42007, San Juan, Puerto Rico 00940-2007.

The purpose of this project is to fund the reconstruction of 16.4 kilometers of road along highway PR-181, from Km 38.6 to Km 55.0, in the Municipality of Gurabo. The road, which serves as a connector for commuters from Gurabo to Puerto Rico’s metropolitan area, currently exhibits high deterioration of pavements and safety devices, posing safety hazards to daily travelers.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
