Dear Chair DeLauro and Ranking Member Cole:

I am requesting funding for financing the Early Childhood Intensive Behavior Intervention Program undertaken by the *Sociedad de Educación y Rehabilitación (SER) de Puerto Rico, Inc.*, for Fiscal Year 2022.

SER de Puerto Rico, Inc. would be the recipient of funds, and they are located in 500 Baez Street, Urbanización Perez Morris, San Juan, PR 00917-5020.

The purpose of this project is to finance a program that will support the comprehensive development of children from 18 months to 6 years of age diagnosed with Autism Spectrum Disorder (ASD) using Applied Behavioral Analysis methods in Puerto Rico. This would support children with autism and their families, and facilitate data collection related to ASD on the Island. Specifically, funding would cover costs related to personnel, supplies, administrative expenses, among others.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jenniffer González-Colón".
